Betsy Matos, PhD, RBP

### Executive Director

Edward J. Stygar, III, MBA, CAE  
[ed@absiaoffice.org](mailto:ed@absiaoffice.org)

Dear Colleague:

ABSIA International invites you to participate in the **60th Annual Biological Safety Conference** in Albuquerque, New Mexico from October 13-18, 2017. Exhibits will be Sunday, October 15 at 6:30 pm through Tuesday, October 17 at 4:00 pm. The conference and exhibits will be held at the Albuquerque Convention Center in Albuquerque, New Mexico. We encourage you to participate in this event by exhibiting your company's products and services and/or sponsoring an event.

**Exhibit Only Passes:** We will be opening the exhibits to non-conference attendees to increase traffic in the Exhibit Hall. Each exhibit booth will receive eight (8) "Exhibit Only" day passes to share with customers and colleagues for use on either Monday or Tuesday. We will also sell day passes to the Exhibit Hall to members and nonmembers.

There will be approximately 600 biosafety professionals from the United States, Canada, and several other countries in attendance. This will be an excellent opportunity to expose your company's offerings to a national and an international audience.

By exhibiting at our conference, your company will have the unique opportunity to showcase its products and/or services to biological safety professionals. Sponsorship of an event at the conference is available. This additional exposure will give your company added recognition as a supporter of the educational objectives of ABSIA International and the importance of biological safety.

Please review the enclosed information at your earliest convenience. If you have any questions, please contact Karen Savage at 1-866-425-1385 or [karen@absiaoffice.org](mailto:karen@absiaoffice.org).

Sincerely,

Brandon Rosendahl  
Exhibitor Advisory Committee Chair
