Corporate Sponsorship

ABSA International was incorporated in 1984 to become the global leader for providing professional and scientific expertise in the practice of biosafety and biosecurity. ABSA International is comprised of over 1,400 members from companies, universities, and governmental agencies throughout the world. ABSA International sponsors an annual conference which is regularly attended by several hundred biosafety and biosecurity professionals and environmental management officials from its member organizations.

The **62nd Annual Biosafety and Biosecurity Conference** will be held November 15-20, 2019 at the Birmingham-Jefferson Convention Complex in Birmingham, Alabama. This promises to be an engaging and stimulating event. Approximately 700 attendees representing a broad spectrum of biosafety and biosecurity, pharmaceutical, biotechnology research, development and clinical organizations are expected to attend. The conference draws national and international attendees from academic, commercial, research, and governmental sectors. It is a great opportunity to showcase your products to a broad audience of professionals.

The various sponsor levels are identified here, along with the benefits and recognition that will be provided to sponsors. If you are interested in being a sponsor, please complete and mail, fax, or e-mail the attached sponsorship form. **The amounts are U.S. bank drafted funds.**
