Dear Colleague:

ABSAs International invites you to participate in the **63rd Annual Biosafety and Biosecurity Conference** in Phoenix, Arizona from Saturday, October 31 — Thursday, November 5, 2020. Exhibits will be Monday, November 2 at 6:30 pm through Wednesday, November 4 at 4:00 pm. On Monday, the exhibits will be open during the Opening Reception from 6:30 pm to 8:30 pm. On Tuesday and Wednesday, the exhibits will be open from 9:00 am to 4:00 pm. The conference and exhibits will be held at the JW Marriott Phoenix Desert Ridge in Phoenix, Arizona. We encourage you to participate in this event by exhibiting your company's products and services and/or sponsoring an event.

There will be approximately 700 biosafety and biosecurity professionals from the United States, Canada, and several other countries in attendance. This will be an excellent opportunity to expose your company's offerings to a national and an international audience.

By exhibiting at our conference, your company will have the unique opportunity to showcase its products and/or services to biosafety and biosecurity professionals. Sponsorship of an event at the conference is available. This additional exposure will give your company added recognition as a supporter of the educational objectives of ABSAs International and the importance of biosafety and biosecurity.

Please review the enclosed information at your earliest convenience. If you have any questions, please contact Karen Savage at 1-866-425-1385 or karen@absaoffice.org.
